

Providing New Solutions for a New Beginning™

CELEBRATE OUR 10 YEAR ANNIVERSARY!

Dear Prospective Customer;

We understand today's economy and people's financial needs.

I wanted to take a minute to reach out to you and let you know that ***"We are here for you, as we have always been."*** Times are getting tougher for many annuitants and their families as rising prices at the pump, at the grocery stores, everywhere you turn are taking its financial toll on everyone. I am here to remind you that you are not alone and we understand how you feel. Our customers tell us financial hardship stories on a daily basis. Let me tell you what they all found out; they found that with a little bit of planning with Freedom Financial Solutions, they could become one of the fortunate few who could change their lives practically overnight. Take just a moment to think about how you would feel if you could wake up tomorrow and have your financial goals accomplished? Imagine if those credit cards were paid off and the creditors stopped calling; it would be like a giant breath of fresh air.

As President of Freedom Financial Solutions, I am here to tell you that we are as strong as ever and we are celebrating our **10 year anniversary** this month. Unlike other companies in the industry, Freedom is here to stay and that we can offer the best rates in the industry today. **I am so sure of that statement that for a limited time, in celebration of our mile stone, I am offering to waive all court and attorney fees with any new transaction until December 31, 2014.**

Call today to speak with an FFS Account Executive to take the first step toward getting the help you may need! You can reach us Toll Free at 877-227-4354 or 561-276-4606.

Respectfully yours,

John Woods
